

## **Bus for school trips**

## ...traveling comfortable and confident from an early age!

Even the little ones can travel safely on our vehicles.

For years, many schools work with us to bring children on a field trip. Therefore, we have made ??safety one of our strong point. Maintenance always at the top. Tires changed regularly and checked. High ceilings insurance. Qualified personnel. Safety belts for each seat. Devices driving aid. Here are the services provided to all our passengers. And especially to children.

Because every trip can be a fairy tale!
