

Business, Trade Fairs and Congresses

... work has never been so comfortable ...

If you need to move to a meeting, a fair or a business trip the best solution is to rent a bus Mascaretti.

You will not have to worry about transport and can focus only on your work commitments.

Even if you want to transport your guests to your home or at a trade fair in which you are an exhibitor, you can contact us for a service of high quality standard.

We have already worked with the trade fair organization of Piacenza, Piacenza Expo: http://www.piacenzaexpo.it

And we are ready to provide any kind of service on the occasion of Expo 2015: http://www.expo2015.org/it
